Submittal Data Model No.:

Description: Insulated copper pipe line sets

Model number	Description
TCP1/4L50	50 ft ACR line – 1/4" single copper pipe with 1/2" black PE insulation
TCP3/8L50	50 ft ACR line – 3/8" single copper pipe with 1/2" black PE insulation
TCP1/2L50	50 ft ACRLine – 1/2" single copper pipe with 1/2" black PE insulation
TCP5/8L50	50 ft ACR line – 5/8" single copper pipe with 1/2" black PE insulation
TCP3/4L50	50 ft ACR line – 3/4" single copper pipe with 1/2" black PE insulation
TCP7/8L50	50 ft ACR line – 7/8" single copper pipe with 1/2" black PE insulation
TCP1/4L164	164 ft ACR line – 1/4" single copper pipe with 1/2" black PE insulation
TCP3/8L164	164 ft ACR line – 3/8" single copper pipe with 1/2" black PE insulation
TCP1/2L164	164 ft ACR line – 1/2" single copper pipe with 1/2" black PE insulation
TCP5/8L164	164 ft ACR line – 5/8" single copper pipe with 1/2" black PE insulation

- Universal black PE single insulated copper line
- PE insulation thickness: 1/2 inch
- Copper tube: ASTM B280
- Surface burning characteristics: UL 94
- Meets ASTM E84 for smoke and fire
- External surface resistant to UV.
- Each item is placed in separate box, thus more convenient for shipping and storing
